## School procedure for severe weather

As we have more snow forecast for Thursday and Friday, we would like to remind you all of the school procedure, in case it is necessary to close the school at short notice.

We will make every effort to remain open but we do appreciate that many of our families and members of staff have a distance to travel to school.

Please note that the school will only close if we have concern for the safety of your children.

If the school is closed, we will:-

- email all parents
- post an update on the website.
