

## Kenya Homework Grid

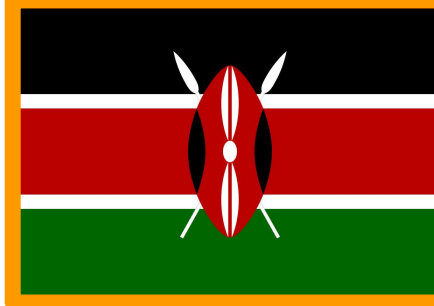

Write a poem about an animal you might see if you were on safari in Kenya.

Many Kenyan people work growing crops. Research Fairtrade and find out how it supports these workers.

Research a dish from Kenya and make it.

African art often uses repeating patterns. Use repeating patterns to create your own piece of African inspired artwork.

You have won a trip to Kenya! Where would you like to go? What would you like to see? Plan your dream trip!

Research the Maasai tribe and record what you find out. Be as creative as you like!

Choose an animal found in Kenya and create a fact file about your chosen animal.

Research African instruments and create your own using junk modelling.

Design your own nature reserve or safari park.

Create a quiz about what you have learned about Kenya.

Using natural resources, make a mud hut building.

Read a story set in Kenya or another African country and write a book review.
