Dear Parents/Carers,

RE: Early Years Farm Visit

Following on from last year's successful visit, one of our families has very kindly agreed for our Early Years children to visit their farm on **19th May**.

The farm is local to Great Gaddesden and the children will travel via minibus to and from the farm. The children will be picked up in the morning and return back for lunch time.

During the visit, the children will be able to see Black Welsh Mountain sheep with young lambs, miniature goats, donkeys and Kune Kune pigs. The children will be able to sit on a tractor for a photo opportunity.

The children will need to bring wellies with them in a separate bag.

We politely ask for a £6.50 contribution towards the cost of the minibus, which can be paid via Arbor.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr Matt Beach
Headteacher
