18th September 2026

Dear Parents/Carers,

RE: World Space Week

As part of World Space Week (week commencing 5th October), we are excited to invite an immersive mobile planetarium to our school!

On **Friday 9th October**, the 'Space Dome' will be set up for the day in the Church. Guided by a qualified astronomy practitioner, every class will have a dedicated slot inside the dome to explore the awe and wonder of the universe, learn about space, and ask questions.

To support costs associated with hosting the dome, we politely ask for a contribution of **£6.50 per child**, payable via Arbor by **Wednesday 30th September**. Please note that without sufficient contributions, this experience may not be able to go ahead.

Thank you for your continued support in creating inspiring learning opportunities for our children.

Yours sincerely,

Mr Matt Beach

Headteacher
