- All children wear the correct uniform and footwear to school.
- Parents/carers share the expectations of the uniform dress code.

Branded Great Gaddesden School uniform

The school use Beat Uniform to supply our branded uniform.

In this time of financial challenge, iron on school crests are available to purchase (£1.50) from the school office.. These can be applied on the grey PE sweatshirts, making them compliant with our school uniform expectations.

Please contact the school office for further detail.

Hair

We expect all children to wear sensible and appropriate hairstyles to school.

Long hair (regardless of gender), which is longer than shoulder length, should be tied back for health and safety reasons and hair should not impede a child's ability to see clearly.

Only small hair bands in a sympathetic colour to the school uniform should be worn.

Only natural coloured hair is allowed i.e. no bleached or coloured hair.

Second hand school uniform:

The school does not wish for any family to be financially challenged as a result of providing school uniform for their child. In order to provide support with the provision of uniform, the school and FOGGS have a large supply of very good second-hand uniform. This is available in the Halsey Chapel in our church, for parents to visit at all times, other than when a church service is taking place. There is the option to make a small donation in the honesty box provided.

This is available for all pupils; both new and current children.

The school also holds a limited amount of new stock which is from sale. In order to access this, please contact the school office.
