## **Introduction**

The staff and governors at Great Gaddesden C of E Primary School are committed to creating a Christian learning community where all adults and children feel valued and safe. In compliance with local and national requirements relating to safeguarding and child protection, pupils are taught to show respect for themselves, other people and our environment.

*This policy should be read in conjunction with the following school policies:-*

- Anti-Bullying Policy;
- Home - School Agreement;
- Attendance policy;
- Safeguarding and Child Protection Policy;
- Teaching and Learning Policy.

## **Our theologically rooted vision**

At the heart of our vision is The Golden Rule: "Treat others exactly as you would wish to be treated yourself" Luke 6:31 (World English Bible). This provides a beacon of light in navigating our interactions with kindness and understanding. At its core, the Golden Rule is a call to empathy. It encourages us to step into the shoes of others and consider our actions from their perspective.

By treating each other with the same level of respect and kindness we wish for ourselves, we create a culture of mutual respect, where productivity and collaboration soar. We aim to grow a school community that values learning and humanity towards others which is defined by the Ubuntu philosophy. The life and teachings of Jesus underpinned by our core Christian values guide and support us to achieve this.

It is through our vision that we aim to support all members of our community to feel valued, included and become flourishing individuals, with a heart for others and the world.

Our school vision and values drive the culture of mutual respect and high expectations for behaviour.

At Great Gaddesden C of E Primary School :-

- we ensure an environment in which all pupils are valued for the person they are, and are treated with respect and equality
- we expect pupil punctuality and regular attendance
- we promote high standards of pupil behaviour and have a zero tolerance approach to all forms of bullying (see *Anti-Bullying Policy* for details)
- we promote high standards of teaching and learning in an environment where all pupils can be successful in their learning  
(see *Teaching and Learning Policy* for details)
- we ensure a safe, inclusive learning environment for all
- we promote our British values

- therapeutic thinking and a restorative approach underpins our culture for behaviour

### **All are guided by the principles of the Hertfordshire Therapeutic Thinking Approach**

This is a therapeutic approach to behaviour management, with the emphasis on consistency, teaching self-regulation and care and control. It uses techniques to de-escalate a situation and adopts techniques to reduce the risk of harm.

### **Recording incidents**

Staff will write all **Stage 2 and higher** incidents on the school's CPOM system, indicating the appropriate category of concern. This will include Bullying, Racist and e-Safety Incidents, where appropriate.

### **Responding to serious incidents**

Parents/carers are involved by **Stage 3** and/or if there are repeated patterns of behaviour or a one off serious incident causing concern. In such cases, the parents/carers will meet with the relevant staff and agreed outcomes are shared with the pupil. This will demonstrate a united approach between all adults.

Where relevant, advice and support from outside agencies will be sought and acted on.

### **Suspension and Permanent Exclusion**

Suspension or permanent exclusion is not taken lightly and the school will endeavour to support the child and family, where this is applied. Where concerns arise about a child's behaviour or risk of suspension or exclusion becomes apparent, the school will endeavour to involve other agencies such as Dacorum Education Support Centre (DESC) etc. Part of the support for any child at risk of suspension or permanent exclusions is a risk assessment/risk reduction plan.

All suspensions and decisions to permanently exclude are at the discretion of the Headteacher

### **Special Educational Needs and/or Disabilities**

As an inclusive school, we aim to support all children including those with Special Education Needs and/or disabilities to safely manage their behaviour. We will endeavour to ensure appropriate interventions, plans and external advice are sought and effectively liaising with parents/carers when concerns arise.

### **Reduced timetables**

It is recognised that there may be occasions when a child is unable to attend school full-time, due to, for example, recovery from illness or exceptional family circumstances. Also, there may be instances when a child is experiencing severe behavioural difficulties at school and is finding it increasingly difficult to cope with full-time attendance. In such circumstances the law permits the temporary use of a part-time/reduced timetable.

If it is considered that full-time education would not be in the best interests of a child's physical or mental health, and the decision is made to implement a reduced timetable, we will:

- Gaining advice from external professionals
- Completing a detailed action plan, agreed with parents and pupils (where appropriate)
- If the child has an EHCP, inform and consult with the local authority SEND team
- Obtain consent from parents/carers
- Inform the Local Authority/complete all relevant paperwork required regarding implementing a reduced timetable, adjustments to this and when the child returns to school full time.

- Provide work for children to complete when not in school and communicating to parents/carers the responsibility to complete this
- Ensuring that the time the child is not scheduled to be in school, this is recorded as an authorised absence

### **Bullying**

Please refer to our *Anti-Bullying Policy*.

### **Policy Review**

This policy will be reviewed annually in order to reflect national and local changes to the primary school curriculum.

The review process will be led by the Head teacher. The policy may be discussed with staff and/or members of the relevant Governing Body sub-committee as required.
