

Maths	English	RE				
In Maths, we will be learning about the following areas: - Place value (within 20) - Addition and subtraction (within 20)	In English this half term, we will be reading the text ‘Wolves’ by Emily Gravett and using this to write leaflets. We will also be reading ‘Send for a Superhero’ by Michael Rosen and Katharine McEwan, and using this to inspire our own superhero stories. 	Religion or World View Focus: Christianity Our enquiry question this half term is: <i>Why is belonging to God and the church family important to Christians?</i>				
Science		Computing				
Our topic in Science is ‘Living things and their habitats’. The children will explore simple life cycles of a range of mammals. They will match offspring to adult and explore the changes that occur as we grow. The children will understand the 5 stages of a human life cycle. They will be encouraged to observe, ask questions and be curious.		We will be looking at ‘Technology around us’ in our computing lessons, identifying the different types of technology we use. We will identify the parts of a computer before developing our mouse and keyboard skills. We will also discuss how to use technology responsibly.				
PE	Design and Technology/Art	History / Geography				
P.E. lessons will take place on a Tuesday and Thursday afternoon. One will be led by a P.E. coach and the other by the class teacher. Please note that the children will now be coming into school wearing their kit on these days.	In Art our focus artist is going to be Andy Goldsworthy. We will look at his work before designing our own sculpture in his style. We will also use natural materials to create a picture and evaluate our designs.	In Geography, we will be focusing on our Local Area. We will use maps and aerial photographs to explore our local area, and identify and discuss the physical and human features of the surrounding environment. We will also create our own simple maps of the classroom using map symbols and compass directions.				
Music	Values	Trips/Enrichment				
We will be using the ‘Sing Up’ programme to deliver our music curriculum. Our song for this half term is ‘Tony Chestnut’ and we will also be learning a selection of Harvest songs. Mrs Cresswell will also be leading weekly singing assemblies to support this.	This term, our values of the month are the following: <table><tr><td>September</td><td>Responsibility</td></tr><tr><td>October</td><td>Respect</td></tr></table>	September	Responsibility	October	Respect	- Forest School (21st September) - Harvest Festival (22nd October) - Church visit
September	Responsibility					
October	Respect
