

Welcome new parents to our school!

We are proud to be part of the Smartphone Free Childhood – a grassroots movement of parents who want to give children a few more years to grow up free from smartphone pressure.

Through the Parent Pact, we agree to delay giving smartphones, so it's easier to hold off together and no child feels left out. It's a way for families who feel this way to support each other. If that sounds like something you'd like to be part of, you can sign here:

👉 smartphonefreechildhood.org/parent-pact

👉 If you'd like to connect with other parents at our school, join our SFC WhatsApp group – it's a friendly place to share ideas and encouragement.

Together, we're proving that change can start in our kitchens, our class WhatsApp groups, and our school gates.

Best Wishes

SFC Staff and parents

From a Year 7 parent in Cambridge:

“Our son started secondary school with a brick phone this term – and he's far from alone. Most of his friends have brick phones too. A few years ago, a friend's child at the same school was the only one without a smartphone. It really feels like finally things are changing.”
