Our Offering

This year, our Harvest Offering is for **DENS**.

Most people know DENS as the homeless charity for people in Dacorum.

In fact, DENS do so much more than just provide a roof and a bed.

Their aim is to be the first port of call for people in Dacorum who are facing homelessness, poverty and social exclusion; to support and empower them to take the next positive step in their lives, secure and maintain a long-term housing option and be an active member of their community.

They ensure individuals have access to temporary and short-term accommodation, and individuals and families have access to emergency food and provisions. DENS provide a range of services so that people can develop the resilience, skills and confidence to take the next step in their lives.

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.
