Parent workshop: Phonics and early reading

Little Wandle Letters and Sounds Revised

Our school has chosen *Little Wandle Letters and Sounds Revised* as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

Phonics

Phonics is:

making connections between the sounds
of our spoken words and the letters that
are used to write them down.

Little Wandle Letters and Sounds Revised 2021: Programme progression

Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

Tricky words

- There are some words with unusual spellings that children need to read and write a lot. We call these words tricky words.
- These words contain graphemes that aren't making the phonemes children have learnt them to make.
- We teach these words as we go along by showing children which part of the word is tricky.

Spelling

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

We use assessment to match your child the right level of book

Reading a book at the right level

This means that your child should:

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head)
- Only need to stop and sound out about **5%** of the words by the time they bring the book home – but they should be able to do this on their own.

Reading at home

The most important thing you can do is read with your child

Reading a book and chatting has a positive impact on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

Books going home

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- If they can't read a word, help them to segment and blend it.
- Talk about the book and celebrate their success.

Read to your child

The library book is for you to read together:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language
 - Encourage your child to use new vocabulary
 - Make up sentences together
 - Find different words to use
 - Describe things you see.
